

ZONING WORKSHOP ON HOUSING & RESIDENTIAL ZONING

WEDNESDAY, JULY 29TH
@ 6:30 PM
OLD LYME TOWN HALL

For more information on the Zoning Update,
go to: www.oldlyme-ct.gov/753/Old-Lyme-Zoning-Regulations-Rewrite

Please join us for the second of three workshops to discuss Old Lyme's zoning and issues surrounding land use in the town.

—
This workshop will explore the important role zoning plays in protecting Old Lyme's neighborhoods and residential areas while enabling and regulating the development of new housing.

—
The Town is updating its zoning regulations, and this is your opportunity to contribute. Join the workshop and let us know your thoughts about housing in Old Lyme and if there is a need to better support the development of housing.

Take the online survey too!

The survey covers topics related to the Town's zoning including residential zones and housing, commercial zoning, parking requirements, signs, and environmental regulations. Scan the QR code at right or use this link:
